WELCOME TO LUXCRAFT!

SATISFACTION

If you're looking for outdoor furniture to complete your patio or gazebo and want these relaxing spaces to be graced with skilled craftsmanship, you've come to the right place! At LuxCraft, our goal is to help you create an environment in which you and your guests will be relaxed, at ease, and completely satisfied. Give us the chance to serve your decorating needs, and you won't be disappointed!

QUALITY

Why choose LuxCraft outdoor furniture? Quality is our first priority, and it shows in the furniture we produce. We're constantly reevaluating product designs to ensure you receive nothing but the best. We only use select grade, micro-pressure treated, kiln-dried yellow pine. Our lumber is hand-selected for maximum structural strength and beauty, then air-dried for up to six months to minimize shrinkage, warping, and checking.

ROLLBACK PLAIN

Simple. Elegant. Beautiful. These words describe our Rollback Plain collection, making it a perfect complement for a wide array of outdoor living spaces. Whether you live in a mid-century Colonial home or an Arts & Crafts bungalow, these chairs, benches, and swings will serve as perfect places for entertaining your guests. As reference, 4' pieces seat two comfortably, with room to spare.
