## Structural Strength

Durable Polymer Coated Lumber has superior structural strength and a low maintenance exterior surface which makes it perfect for creating a sturdy, durable playset.

## Easy Installation

Our professional installers are prepared to deliver and assemble your play equipment for you.

## Unique Design

Our products have unique design features exclusive to Play Mor Swing Sets making them attractive additions to your backyard.

## Multiple Options

Play Mor poly playsets are option friendly.

## Ready Changeability

Changing and adding on to your playset does not get any easier with Play Mor's endless ability to add fun items.

## Lasting Memories

Memories made with your children are priceless. Interacting with your children on one of our poly swing sets is bound to create precious, fun-filled memories.

## Renewable Resource

All our polymer coated lumber is on a short harvest cycle. Harvesters ensure future resources by planting thousands of acres each year as they harvest.

## Lasts For Years

We pay attention to detail. All our polymer coated lumber is capped, free from sharp edges and corners and comes with the benefit of little to no maintenance. Memories made with your children are priceless. Interacting with your children on one of our poly swing sets will bring you a lifetime of memories.

## CHOOSE AN ATTACHMENT BEAM

Our triple 2x6 Attachment Beams are much stronger than solid 4x6 beams. A 2x6 cap across the top of the beam adds strength and rain protection. The beam is supported by 4x4 posts and sturdy stainless steel angle brace which make this attachment a very durable structure. Attachment Beams are available in four different styles and at two different levels (heights). First choose the style, then choose the level. Finish by choosing the swing attachments of your choice.

**Attachment Beam 3 Position**  
Length = 12'

**Attachment Beam 4 Position**  
Length = 14'

**Disc Swing Attachment Beam**  
Length = 14'

**Tire Swing Attachment Beam**  
Length = 12'

**Eco Beam**  
Length = 4 Position 12'  
Length = 3 Position 10'  
Our eco beam is a double 2x6 beam that is capped with a 2x4. Only available in Easy Ride.

### Styles

We offer four different Attachment Beam styles. Each style is distinguished by the swing attachment positions it offers. These styles, their lengths, and their available options are listed in the chart below. Choose the appropriate style for your family and then choose from the list of swing accessories that fit that style.

### Levels

Choose the level that suits your taste and be sure it corresponds to the structure you have chosen. Each level and the floor level to which it connects is illustrated below.

Happy Customers

## Site Preparation

YOU must have a level, prepared site. A level, prepared site is of utmost importance to the installation of your play set. Please ask our salespeople for help if needed.

## Use of Equipment

Play Mor Swing Sets are designed for use by children. While the manufacturer has made sincere efforts to build safe and high-quality play equipment, it is recommended that use of the equipment by children be carefully supervised by adults.

## Maintenance

Accidents and personal injury can happen on any play equipment. An adult should periodically inspect the equipment for loose bolts or other parts, and for sharp edges caused by damage to the equipment. Necessary repairs should be made prior to additional use. The equipment must be assembled by an adult, and children should not be permitted in the area during assembly. The polymer coated wood used in Play Mor's poly line will not need treatment or stain of any kind. The wood under the poly is treated with a non-toxic borate compound that offers optimal protection against the environment and keeps your children safe. The compound is certified organic so you can rest assured that your environment as well as your children are safe.

## FIVE YEAR LIMITED WARRANTY

### TWENTY YEAR LIMITED WARRANTY (Specified Components)

Five Year Limited Warranty: Hershberger Lawn Structures, Ltd., 8990 SR 39, Millersburg, Ohio 44654, hereinafter the Company, warrants to the original purchaser its Play Mor Poly Swing Sets to be free from defects in material and workmanship for a period of five (5) years from the date of sale.

Twenty Year Limited Warranty: The Company warrants to the original purchaser (1) all Woodguard wooden components against damage caused by termites and fungal decay and (2) its metal braces, Play Mor Scoop Wave Slides, and Play Mor Baby Swings to be free from defects in material and workmanship for twenty years after the original purchase date.

General Provisions Applicable to Both Warranties: "Defects" do not include: surface rust on metal parts and chains; mold growth; fading or any other deterioration of the poly coating; poly coated parts that have been cut, punctured or otherwise breached; fading of colors on unit components and therefore such conditions are not covered by these warranties.

Our obligation under these warranties is expressly limited to repairing or replacing, at our option, any parts of the warranted item found by us to be defective in material or workmanship.

The Company's obligation under these warranties shall not include any transportation charges, cost of installation, nor any liability for special, indirect or consequential damage or delay, whether arising in contract, in tort, under warranty, or otherwise. Some states do not allow the exclusion or limitation on incidental or consequential damages, so the foregoing limitation or exclusion may not apply to you. The Company shall not be held liable under warranty for damage arising from transport, vandalism, or improper handling and storage at the site of any dealer or reseller prior to installation. Any improper use or abuse of the warranted item shall void this warranty. This limited warranty extends only to items used for personal, household or residential use, and not to public, commercial or other use.

The Company makes no other warranty, expressed or implied. The Company makes no warranty of merchantability or fitness for any particular purpose beyond the term of the express warranty; however, some states do not allow limitations on how long an implied warranty lasts, so this exclusion may not apply to you. No employee or representative is authorized to change this warranty in any way or grant any other warranty on behalf of the Company.

*This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.*
